

Happier Customers. Increased Revenues.

- Offer your customer's the extra strength, game changing relief of CBD Stat products.
- Create even happier customers to drive referrals and repeat business.
- Supplement your profits with CBD Stat product sales.
- CBD Stat's affordability, strength, and results are an easy sell.

We recently brought the CBD Stat line into our practice and we could not be more thrilled with the results. Clients who have tried CBD over the years with no result, have noticed a massive improvement in their health when switching to CBD Stat.

Strong People™

About CBD Stat.

Here at CBD Stat, we understand aches & pains can appear at the most inopportune times. That's why we set out to make the strongest but most affordable CBD products on the market. Guaranteeing an effect everyone will feel and love. With our unique process, we are able to produce very pure THC-Free CBD products for a fraction of the cost of most other methods. Helping people beat life's obstacles...naturally!

4 Products 3 Strengths

Muscle Roll-On

Our powerful Roll-On delivers a soothing icy sensation for targeted, immediate relief from discomfort. Roll over shoulders, back or any muscles that need extra support in your daily routine.

Massaging Salve

Unscented Massaging Salve is a comforting balm that packs a punch. Rub thoroughly into affected areas before bed or anytime and get ready to face the day.

Calming Cream

Calming Cream absorbs quickly and delivers strong, restorative relief. Smooth on affected areas, especially your hands, at any time of day to help you power through pesky aches and pains.

Oil Drops

Oil tincture drops offer an array of benefits, from calming effects and restful sleep to overall systemic well-being.

Great incremental revenue for retailers such as:

- Massage/Spas
